پروفايل علم سنجی:

## Education

■ Ph.D: ,

## Research Interests

■

## Books

■ Phytochemical, Pharmacological, and Health Benefits of Glycyrrhiza glabra  
 , Akbar Karami  
 John Wiley & Sons, Inc, 2022, 9781119746843 شابک:

## Journal Papers

■ Antimicrobial and antioxidant activities of the leaf extract of some cultivated Iranian licorice populations  
 , Mohammad Hossein Mirjalili,  
 , Vol.21, pp. 65-74, 2022

■ Essential Oil Chemical Variability in *Oliveria decumbens* (Apiaceae) from Different Regions of Iran and Its Relationship with Environmental Factors  
 Akbar Karami, Tahereh Khoshbakht, , Filippo Maggi  
 Plants-Basel, Vol.9, pp. 680-693, 2020

■ Essential oil composition, total phenolic and flavonoids contents, and antioxidant activity of *Oliveria decumbens* Vent. (Apiaceae) at different phenological stages  
 , Akbar Karami, Filippo Maggi  
 JOURNAL OF CLEANER PRODUCTION, Vol.198, pp. 91-95, 2018

■ Essential oil composition of *Rydingia michauxii* (Briq.) Scheen & V.A. Albert endemic of Iran  
 Akbar Karami, , Donya Shahbazian  
 NATURAL PRODUCT RESEARCH, Vol.32, pp. 229-233, 2018

## Conference Papers

Antimicrobial Properties of Ethanol Extracts of *Rosa canina*. L Collected from Different Habitats in Lorestan ■

ابوذر علیزاده، امیر ارسلان کاویانی فر، حسن اسماعیلی، علی دولت‌شاه
